

Hill Farm Primary School

Policy on School Uniform

1 Introduction

- 1.1 At Hill Farm it is our policy that all children should wear school uniform when attending school, or when participating in a school-organised event in or out of normal school hours. We provide a complete list of the items needed for school uniform in our school prospectus.

2 Aims and objectives

- 2.1 Our policy is based on the notion that a school uniform:
- promotes a sense of pride in the school;
 - engenders a feeling of community and belonging;
 - is practical and smart;
 - identifies the children with the school;
 - is not distracting in class (as fashion clothes might be);
 - makes children feel equal to their peers in terms of appearance;
 - is regarded as suitable, and good value for money, by most parents;
 - has been designed with health and safety in mind.

3 Jewellery

- 3.1 For health and safety reasons, we do not allow children to wear jewellery at Hill Farm school. The exceptions to this rule are stud earring in pierced ears and watches. We will, however, ask the children either to remove these objects during PE and games lessons, or to cover stud earrings with plasters. Children will be responsible for looking after their own items and must be able to remove earrings themselves.

4 The role of parents

- 4.1 We ask all parents who send their children to our school to support the school uniform policy. We believe that parents have a responsibility to send their children to school correctly dressed and ready for their daily schoolwork. Parents should endeavour to ensure that their child has the correct uniform, and that it is clean and in good repair.
- 4.2 If any parent would like the school to modify the uniform policy, they should make representation, in the first instance, to the headteacher. The school welcomes children from all backgrounds and faith communities. If there are serious reasons, e.g. religious objections, why parents want their child to wear clothes that differ from the school uniform, the school will look sympathetically at such requests. Similarly, should an item of school uniform prove problematic for a pupil with disabilities, then parents are invited to draw this to the attention of the headteacher. The school will treat all pupils equally.

5 The role of governors

- 5.1 The governing body of Hill farm School supports the headteacher in implementing the school uniform policy. It considers all representations from parents regarding this policy, and liaises with the headteacher to ensure that the policy is implemented fairly and with sensitivity.
- 5.2 It is the governors' responsibility to ensure that the school uniform meets all national regulations concerning equal opportunities, and that our school uniform policy is consistent with our policy on equal opportunities.
- 5.3 Governors ensure that the school uniform policy helps children to dress sensibly, in clothing that is hardwearing, safe and practical.

6 Monitoring and review

6.1 When monitoring this policy the governing body will:

- seek the views of parents, to be sure that they agree with the policy, and support it;
- consider with the headteacher any requests from parents for individual children to have special dispensations;
- require the headteacher to report to the governors on the way in which the policy is being implemented.

6.2 This policy will be reviewed by the governing body every three years, or earlier if considered necessary.
